

## **Dave Oliver, Vice President of Human Resources**

**Education:** Fullerton College - Industrial Arts Education. Cal State Long Beach - Industrial Arts Education / Industrial Technology (Safety)

**Professional experience:** Thirty-one years in Corporate Health Care Risk Management including Home Health, Hospice, Skilled Nursing and Assisted Living, Alzheimer's and Sub – Acute Units. Eight years in Multi-line Commercial Insurance Loss Control and over seven years in Local and Corp Management Loss Prevention and Sales.

**Role and Years with Wilshire:** Dave oversees our human resources departments, which includes implementing recruitment and hiring practices, maintaining safety & compliance, and overseeing onboarding and company culture.

**Your philosophy working with Wilshire:** To enjoy with light heartiness, all of the different personalities that all the associates and teams of Wilshire bring to the organization. While each person may provide a different skill, we all come together developing a common thread that supports the community in which we live and play while providing the best of care and service to our patients, clients and their families.

**Your commitment to healthcare and/or this community:** While we encourage our adult children and neighbors to do the same, my wife and I believe it's a privilege and a responsibility to take an active role in the positions that we love and to support the community in which we live and thrive.

**Any additional leadership roles within our community/state/nation:** Currently on the Board of Directors (Member at Large) with the Central Coast Chordsmen. Sergeant with the Los Angeles County Sheriff's Office and the San Dimas Mountain Rescue Team. Multiple Unit, District and Council positions with the Boy Scouts of America and on the planning committee for the City of Diamond Bar, CA.
