

**Let's get you back
to your best.**

At Home with Wilshire Home Health

Healing with our knowledge, caring with our hearts. For more than two decades, our home health agency has developed a trusted reputation of delivering optimal care for every patient, every time.

Our goal is simple: Let us get you back to your best by bringing highly skilled professional services directly to you.

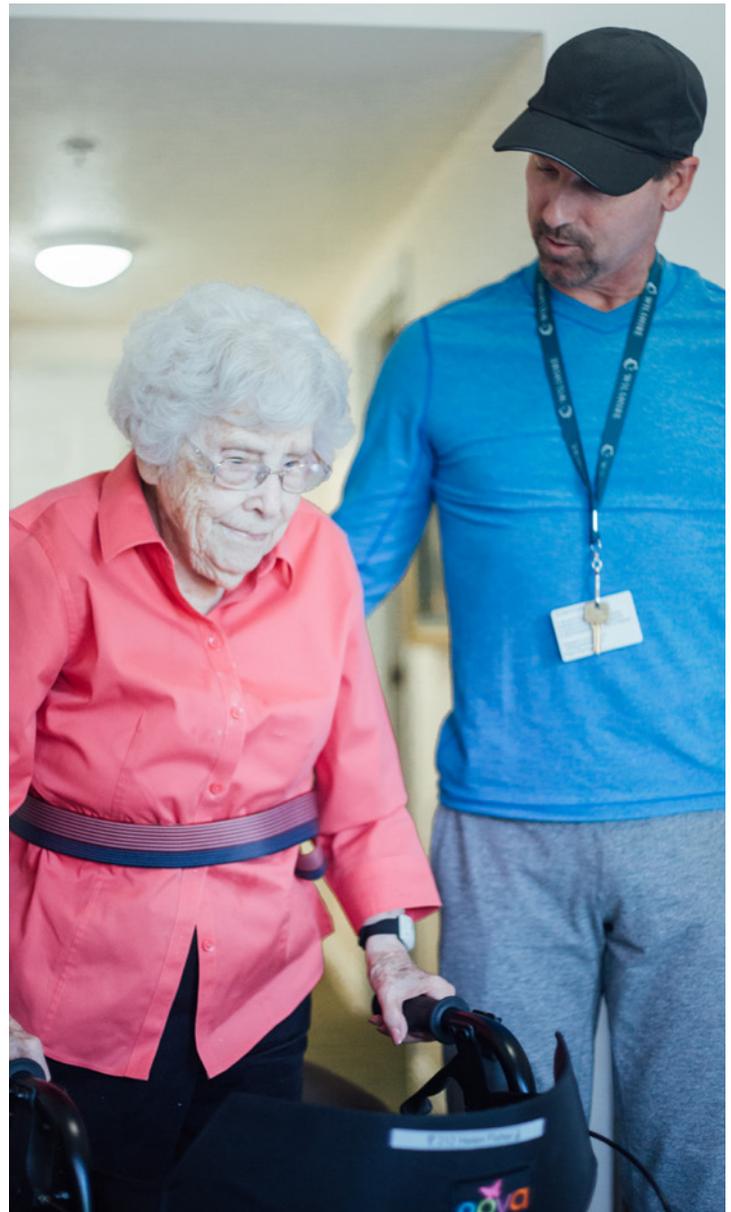

Our quality care emphasizes clinical excellence, patient choice, and compassion. We acknowledge the unique relationship we have with you, your family, and your community and will support you through the health journey.

Leader in Innovative Care

How do we get you back to your best? We have a variety of services that support **your recovery at home**, from skilled nursing to physical therapy to telehealth in-home monitoring. Our team will **meet you where you're at**, and guide you through a healthy recovery, with our compassionate & innovate clinical team.

We put people at the center of our work. We listen closely to the needs of patients and their families, and we work **collaboratively with physicians** and caregivers to focus on what matters the most.

Home Health Care

- | | |
|------------------------|-----------------------|
| Skilled Nursing | Medication Management |
| Physical Therapy | Skin & Wound Care |
| Occupational Therapy | Speech Therapy |
| Telehealth Therapy | Palliative Care |
| Telehealth Monitoring | Home Health Aids |
| Medical Social Workers | Registered Dietitian |

Palliative Care

Receive palliative care at the same time that you're receiving treatments. Palliative care's primary purpose is to relieve the pain and symptoms while improving your quality of life.

Telehealth Monitoring

Telehealth is an in-home monitoring system that communicates your health status & care needs with your physicians & nurses. This includes blood pressure, weight, diabetic monitoring, medication management and skin care issues.
